A LETTER TO ALL COMPETITOR

The Woodford Wells Club welcomes all the competitors to the 42nd annual open tournament. We are delighted that you have entered and hope you all have an enjoyable week.

This year our principal sponsor is Island Bridge Properties, and we are very grateful to them for their support in enabling this tournament to run and provide competitive opportunities to tennis players. Thank you to all of our other sponsors, whose contributions ensure that the event offers the best possible experience to all participants.

The tournament relies on a lot of voluntary help and I would like to pay tribute to all of the club members who willingly give of their time in order to assist the running of this event. Thanks to the court supervisors for their preparedness to supervise courts during the week. Thanks also to the volunteer members who organise and help with the catering, to all the tournament committee for organizing and planning the tournament and to the grounds staff for their work this week. We greatly appreciate their efforts.

Chris Joy, who recently took over as our club manager, has assisted with procurement of trophies, balls, sourcing of sponsorship and advertising, as well as all manner of other things, and we would like to thank him for all his efforts in ensuring that the tournament is a success.

We are once again indebted to Heath Mason for his expertise and advice with respect to the production of the programme. Please take notice of our advertisers and consider availing yourselves of their services.

We would like to acknowledge 'Stringers World' for providing us with vouchers for the tournament. Their website is www.stringersworld.com and is well worth looking at if you need of tennis equipment of any sort.

Woodford Wells is a large members club with a substantial tennis section. The club's tennis players have vacated the courts for a whole week to let us run this event. We are grateful to them for their forbearance. The bar will be open for extended hours during the week, so please feel free to take advantage of this facility.

This year we have a new referee. We welcome Chris Smyth back to Woodford Wells. Chris has already assisted some of his fellow referees in running the open tournament in the past, and we are very glad that he has agreed to bring his enthusiasm and professional approach to the club once again. I am grateful to my tournament fellow committee members without whom this tournament would not run. They are Lynn Attwell, John Caplan, and Chris Joy.

I would also like to thank David Harston, who chaired the tournament committee for many years until now, and who has once again lent a great deal of assistance in ensuring that this year's event runs as smoothly as all those for which he was responsible in the past.

Chairman of the Woodford Wells Dunlop Open Tournament Committee

TOURNAMENT REFEREE – CHRIS SMYTH

We are very pleased to welcome Chris Smyth to referee the 2023 Woodford Wells Open Tournament. Chris has been a qualified official for seven years, during which time he has worked at many week-long Grade 3 tournaments, including Woodford Wells on several occasions, and worked with a number of top referees. He qualified as a National Referee almost two years ago, since when he has refereed a number of Grade 3 Winter Regional Tours, as well as County Cup Events.

In the past three years Chris has broadened his experience considerably, officiating at LTA Grade 1 and Grade 2 events, National Junior Championships, as well as ITF Junior and Tennis Europe events. Earlier this year, he officiated at Surbiton for the second year running at Junior Wimbledon Qualifying. Working at these events has afforded Chris the opportunity to work with top class officials and we are confident that he will bring his professionalism, enthusiasm and competence to the annual Grade 3 of Woodford Wells.

We wish Chris all the best for the week.
